SPECIALIZING IN ADULT AND PEDIATRIC ALLERGIC DISORDERS

BRIAN G. WILSON, M.D.
NARLITO V. CRUZ, M.D.

NEW PATIENT PACKET

Thank you for choosing Tallahassee Allergy, Asthma & Immunology. At your request, we have reserved an appointment just for you with Dr. Brian Wilson or Dr. Narlito Cruz. Please review the information below to prepare for your appointment.

*If your appointment is only for a **venom allergy, hives (urticaria), immune deficiency or HAE**, please DO NOT STOP taking any of your medications.

*If you are scheduled for **patch testing for contact dermatitis**, four (4) weeks prior to your appointment, you will need to STOP TAKING ALL oral or injectable steroids (such as prednisone or kenalog shots) and STOP USING ANY steroid cream on your back only (you may use steroid cream on other parts of your body as directed).

*If you are scheduled for **allergy symptoms, rhinitis, sinusitis, asthma or food allergies** you will need to STOP TAKING THE FOLLOWING MEDICATIONS to allow for **skin prick testing for environmental allergies (animals, pollens, molds, etc) or food allergies**, only stop the medications listed DO NOT STOP ASTHMA MEDICATIONS. Failure to stop medication as requested will result in the need to schedule you at our next available appointment to complete your testing and assessment.

Two (2) weeks prior to skin test STOP: **Doxepin** (Sinequan)

One (1) week prior to skin test STOP:

****ANY and ALL ANTIHISTAMINES (below are some common antihistamines)**

*Antihistamine/Allergy/"Cold & Allergy" Pills: **Allegra** (fexofenidene), **Zyrtec** (cetirizine), **Benadryl** (diphenhydramine), **Claritin/Clarinx** (loratidine/desloratidine), **Xyzal** (levocetirizine dihydrochloride), **Atarax/Vistaril** (hydroxyzine), **Deconamine** (chlorpheniramine pseudoephed),

Allerhist/Antihist/Contac/Dayhist/Tavist (clemastine, meclastine fumarate, meclorprodin fumarate)

*Nasal Sprays: **Astelin**, **Patanase**, **Dymista**

*Eye Drops: **Patanol**, **Pataday**, **Zaditor**, **Optivar**, **Elestat**

*Sleep Aid Medicines: **Tylenol PM**, **Advil PM**, **Excedrin PM**, **Midol PM**, **Unisom**. doxylamine succinate

*Heartburn Medicines: **Zantac** (Ranitidine), **Pepcid** (Famotidine), **Axid** (Nizatidine), **Tagamet** (Cimetidine)

*Misc.: **Phenergan** (promethazine), **Meclizine**

***You will need to bring your completed New Patient Packet (attached), all insurance cards, a government issued photo ID and a list of all medications you take (both prescription and over the counter, include strength and dose). Payment expected at time of service.**

*All appointments can take up to *two (2) hours*, please allow enough time in your schedule. You will need to arrive *15 minutes prior to your scheduled appointment* to complete the check in process and 30 minutes prior if your paperwork is not complete. Patient's arriving late may have to be rescheduled. **Note, minors (anyone under 18) not accompanied by their legal parent/guardian, capable of giving a complete detailed medical history, WILL be rescheduled.**

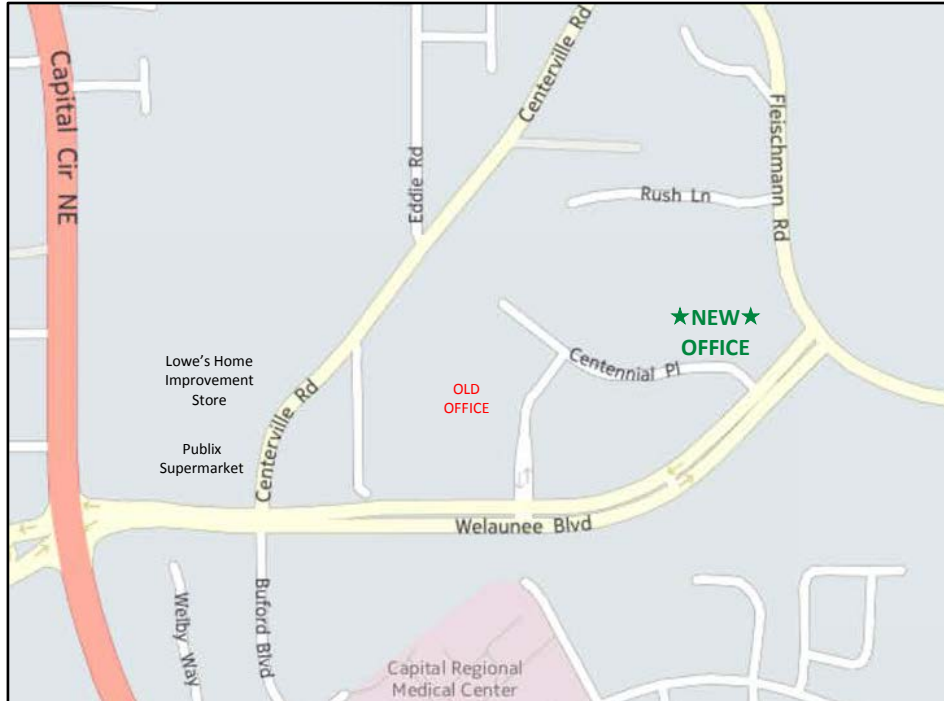

*We treat patients with asthma and food allergies, for their safety we ask that **NO FOOD** be brought into the office and **REFRAIN FROM USING COLOGNE, PERFUMES or SCENTED LOTIONS.**

*Any changes to your appointment (those missed, cancelled or rescheduled) with less than one (1) business days' notice may result in a **\$75 no show/cancellation fee** and you may not be rescheduled.

If you have any questions, please feel free to call our office. Thank you!
